

Library Annual Report

Academic Year – 2023-24 Date:11/06/24

Library is the “Temple of Knowledge”. It satisfies the reader’s thirst related to life skill enhancement.

Our library is advanced by library automation software named “e- Lib”. Which helps our Students & Staff members to search any type of library materials within fraction of second. All reading digests are bar-coded. Books are classified on Dewey decimal classification [DDC] techniques. We provide digital library facility. Which includes 12 computers connected with high-speed Internet & 1004 Compact Disc [CDs].

Our library has subscription for Developing Library Network[DELNET], J-Gate and NDL. Our library also has the facility of NPTEL Videos. We provide access for union catalogue of books, periodicals, e books & journals, CD Rom, database, Multimedia etc.
