

Library Annual Report

Academic Year – 2018-19

Library is the “Temple of Knowledge”. It plays vital role not only in technical knowledge development but also satisfies the reader’s thirst related to life skill enhancement.

Our library is advanced by library automation software named “e- Lib”. Which helps our Students & Staff members to search any type of library materials within fraction of second. All reading digests are bar-coding. Books are classified on Dewey decimal classification [DDC] techniques. We provide digital library facility. Which includes 12 computers connected with high speed Internet & 980 Compact Disc [CDs].

Our library has subscription for Developing Library Network[DELNET], J-Gate and NDL. Our library also has the facility NPTEL Videos available. Which give access for union catalogue of books, periodicals, e books & journals, CD Rom, database, Multimedia etc.
