Welcome

The department of civil engineering was started in the academic year 2010-2011 with an aim of promoting quality technical education in the field of civil engineering. The academic activities of the department emphasis deep skill development of students, acquiring the lat-

est technological trends to handle the challenges of civil engineering and to solve the problems of industry and society.

The Department of Civil Engineering is putting all efforts to ensure the overall progress of the students. Any suggestions for further improvement will be greatly appreciated. I wish one and all a bright future in coming academic year 2024-25.

Mr .N. B. Pawar

Head of the Department

Vision

To strive for making professionally skilled civil engineers by imparting quality technical education to meet the needs of industry and society

Mission

- 1.To provide excellent technical skills
- 2.To impart latest trends in technology with ability for research
- 3.To develop competent civil engineers for meeting needs of industrial and society

Program Educational Objective (PEOs)

- 1.Provide socially responsible, environment friendly solutions to Civil engineering related broad-based problems adapting professional ethics.
2. Adapt state-of-the-art Civil engineering broad-based technologies to work in multidisciplinary work environments.
- 3.Solve broad-based problems individually and as a team member communicating effectively in the world of work.
