Bharari – 2026

Annual Prize Distribution Function Report

The Annual Prize Distribution Function “Bharari – 2026” of A. G. Patil Polytechnic Institute, Solapur for the academic year 2025–26 was celebrated with great enthusiasm and grandeur on 4th April 2026 at Shanti Hall. The event served as a platform to recognize and honor the outstanding achievements of students in academics, sports, cultural activities, leadership, and overall development. The function commenced at 11:00 a.m. and witnessed the enthusiastic participation of students, faculty members, parents, alumni, and distinguished guests.

The program was graced by the esteemed presence of Chief Guest Dr. V. G. Gambhir, Retired Scientist from the Tata Institute of Fundamental Research (TIFR), Mumbai, whose remarkable contributions to science and research have inspired generations of students and researchers. The function was also honored by the presence of Mr. Shivanand Patil, Secretary of Shanti Education Society; Dr. M. A. Chougule, Campus Director and Principal, A. G. Patil Polytechnic Institute; Dr. V. V. Potdar, Principal, A. G. Patil Institute of Technology; and Mr. S. K. Mohite, Vice Principal, A. G. Patil Polytechnic Institute. Their presence added dignity and prestige to the occasion.

The ceremony began with the National Anthem, followed by a warm and gracious welcome address delivered by Mrs. Birajdar Madam, who extended heartfelt greetings to the Chief Guest, dignitaries, faculty members, parents, students, and invited guests. The traditional lighting of the ceremonial lamp marked the formal inauguration of the event, symbolizing the triumph of knowledge over ignorance and the pursuit of wisdom through education.

Following the inauguration, Dr. M. A. Chougule, Campus Director and Principal, presented the Annual Report of the Institute, highlighting the significant achievements and milestones accomplished during the academic year 2025–26. The report showcased excellent academic performance, commendable results in board examinations, notable achievements in sports and cultural competitions, successful organization of technical events, industrial visits, skill development programs, and various extension activities undertaken by the institute. He also appreciated the dedicated efforts of faculty members, staff, students, parents, and the management in maintaining the institute’s tradition of excellence.

The highlight of the event was the inspiring address delivered by Dr. V. G. Gambhir. In his keynote speech, he emphasized that in today’s rapidly evolving technological world, continuous learning, innovation, and skill enhancement are essential for professional success. He encouraged students to develop strong fundamentals in science and engineering while simultaneously acquiring practical skills, problem-solving abilities, and ethical values. Drawing from his rich experience in scientific research, he explained how technological advancements

have transformed society and highlighted the importance of curiosity, creativity, and perseverance in achieving excellence.

Dr. Gambhir further motivated students by stating that success is not merely determined by academic scores but also by one's willingness to learn, adapt, and contribute positively to society. He stressed the importance of emerging technologies such as Artificial Intelligence, Automation, Renewable Energy Systems, Advanced Manufacturing, and Digital Technologies, advising students to prepare themselves for future challenges through continuous self-improvement. His thought-provoking and inspiring speech received tremendous appreciation from the audience and left a lasting impact on students and faculty members alike.

The much-awaited Prize Distribution Ceremony was then conducted to recognize and celebrate the accomplishments of deserving students. Awards, trophies, medals, and certificates were presented by the Chief Guest and other dignitaries to students who excelled in academics, sports, cultural activities, technical competitions, and leadership roles. Special recognition was given to students who demonstrated exceptional discipline, dedication, and all-round performance throughout the academic year. The proud smiles of award recipients and enthusiastic applause from the audience created a vibrant and memorable atmosphere.

A special segment of the program was dedicated to institutional awards recognizing excellence among departments and staff members. The Best Department Award was conferred upon the Civil Engineering Department in recognition of its outstanding performance in academic excellence, student achievements, and departmental activities. The Best Employee Award (Teaching) was presented to Mr. R. S. Motgi, Head of Mechanical Engineering Department, for his exemplary dedication, leadership, and significant contribution to the growth and development of the institution. The Best Employee Award (Non-Teaching) was awarded to Mr. Rupesh Kokare (Peon) for his sincere service, commitment, and valuable support to the institute. The award recipients were congratulated by the dignitaries, who emphasized the importance of dedication, teamwork, and professional excellence.

The program concluded with a heartfelt Vote of Thanks proposed by Mr. R. S. Motgi, Event Coordinator. He expressed sincere gratitude to the Chief Guest, dignitaries, management members, faculty, staff, parents, students, and all those who contributed to the successful organization of the event. He particularly acknowledged the collective efforts of the organizing committee, volunteers, and support staff whose hard work ensured the smooth conduct of the function.

The Annual Prize Distribution Function "Bharari - 2026" proved to be a grand success and a memorable celebration of achievement and excellence. The event not only recognized the accomplishments of deserving students and staff members but also inspired everyone present to pursue higher goals with determination and confidence.
