“NirmaaN 2020” State Level Competition

Organized by

A. G. Patil Polytechnic Institute, Solapur **Date: 22/02/2020**

Department of Civil Engineering arranged the Technical event of “Concreta (Cube Testing)”, “CAD Competition” & “Fun Fair (Tower Making)” on **22nd February 2020**. Such an event had never been organized at diploma level and we conducted this with full enthusiasm. Over 111 students were participated in this event from more than 06 polytechnics in Solapur region. This event was scheduled for one day.

For Concreta (Cube Testing) Participants have been asked to cast concrete cube. To produce concrete to achieve, as closely as possible, a compressive strength of 25 Mpa on the day of competition at the time of testing the cubes. Other parameters of mix design maybe chosen by the competitors to obtain the closest specified strength on the day of testing.

For CAD Competition, Participants have been asked to draft a detailed drawing of a given line plan with 90 min. On the merits of different view, section, specification has given marks to the drawing. The drawing with the highest score was declared as winner of the competition. At same day we have conduct the Just For Fun (Tower Making Competition). For second & third year Civil Engineering Students. Total 11 groups are participated. In this event given 60 min for making Peaper Tower each team. The prize distribution ceremony was conducted in presence of Er.Praveen Hedgire working as a Associate professor at A.G. Patil Institute of Technology & Er.Praveen Mamdyal working as a junior Engineer of Public Work Department at Lanja .Cash prize of over Rs 12250/- momentous & Certificates were issued to winner of event .All the participants are had been enforced by the certificate for participating in this grand event.

Mr . Boga S.A., Mr. Dara P. S., Ms. Shinde H.S., Mr. Shembade K.T. , Mr. Parse M.B. had worked with all their efforts & devotion. I would like to thank each & everyone who helped to make this event grand success.
