About “Soft insignia v.20”

Department of Computer Engineering has mission “To cope up with rapid changing technology in the field of computer engineering” in order to follow mission, eight state level event named Soft-Insignia V.20 was arranged on 18th March 2023. The aim of providing a platform for students to develop and showcase their technical prowess & creating an effective forum for exchange of innovative ideas. It promotes academic excellence and leadership skills and builds professionalism among students. Institutes today, continuously facing challenges for improving competitiveness in students, such a State Level competition has assumed a great importance in present scenario. We need to upgrade our students in terms of knowledge and creative thinking to face the challenges before us. It had expected that students from various institutes participated in the contest will contribute in the form of outstanding talents, innovation and professionalism to make event grand success. The ‘Soft-Insignia V.20’ Competition is open to all students of Polytechnics in Solapur District and Out Side of Maharashtra. This is our tenth experience, as far as the expertise and technicality of organizing such event is concerned. The objective of

1. The Annum Paper Presentation competition is to encourage students to be more innovative in their thinking and approach towards paper presentation abilities.

2. The Quiz Competition is intended to provide an opportunity for diploma students to display their technical as well as general accomplishments in a related to different engineering discipline.
